

Project Name: Pitlochry Festival Theatre, Pitlochry, Perthshire

Client: Pitlochry Festival Theatre

Services Value: £470,000\*

Taylor and Fraser

*Nestled on the banks of the River Tummel is the Pitlochry Festival Theatre, a renowned centre of the arts attracting national and international visitors. Visitors can enjoy the restaurant, café and bar facilities, whilst viewing a stunning panoramic sweep of Ben-y-Vrackie and the Perthshire countryside.*

The Mechanical Services installation comprised:

- Gas fired LTHW boiler plant serving radiators and coils within air handling units serving restaurant, bar and café and staff facilities
- Air handling units providing supply and extract ventilation for the auditorium
- Upgrade of water services
- Full BMS to provide integrated control of the Mechanical Services

Case Studies

• Architect: LDN Architects • Consulting Engineer: Buro Happold  
• Quantity Surveyor: McLeod and Aitken • Main Contractor: Mansell
